

[The genuine danger of Counterfeit Medicines](#)

OUR FORENSIC MANAGEMENT SERVICES: ☎ [Hot line:002-6557-624](tel:002-6557-624)

Our primary goal is to provide forensic management services to the pharmaceutical, food, cosmetic and medical devices industries. We also screen for [\[\[IOC banned drugs\]\]](#) in dietary supplements guided by the [\[\[World Anti-doping Code\]\]](#).

We provide the community with a comprehensive analytical service in the field of medicine, pharmaceuticals, food, medical devices, forensic and clinical toxicology.

The forensic services include but are not limited to:

- Forensic analysis of medicines and drugs
- Microbiological contamination
- Counterfeiting
- Passing off
- Fake medicines
- Medicines screening and analysis
- Toxicological screening
- Adulterant screening
- Medicines Control Council regulatory issues
- Litigation preparation, support and court appearance (civil and criminal)

We collaborate with fully equipped forensic and approved pharmaceutical laboratories to offer a screening and comprehensive analytical service with rapid response.

We have a team of experts which includes pharmacists, medical practitioners, attorneys and advocates. All are specialists in their own professional fields.

Forensic services on offer
